EXECUTIVE SUMMARY

June 28, 2019

TO: School Board Members

FROM: Donald E. Fennoy, II, Ed.D., Superintendent
Keith Oswald, Deputy Superintendent/Chief of Schools
Mark Howard, Chief, Performance Accountability

SUBJECT: RESULTS OF FY19 FLORIDA STANDARDS ASSESSMENTS (FSA) AND END-OF-COURSE (EOC) ASSESSMENTS

The Florida Department of Education (FDOE) released the FY19 results of the Florida Standards Assessments (FSA) for English Language Arts (ELA) and Mathematics, Statewide Science Assessments, FSA End-Of-Course (EOC) assessments for Algebra 1, Geometry, and Next Generation Sunshine State Standards (NGSSS) EOC assessments for Biology, U.S. History and Civics.¹ Both FSA and EOC assessments are considered high school graduation requirements; students must score a Level 3 or above on both Grade 10 FSA ELA and the Algebra 1 EOC to earn a Standard Diploma.

A preliminary analysis of the test results for the students scoring Level 3 or higher revealed the following:

- From FY18 to FY19, the District increased students scoring Level 3 or above on the following assessments:
 - Grades 4, 6 FSA ELA;
 - Grades 3, 4, 6 FSA Math;
 - Algebra 1 EOC, Geometry EOC, and Biology EOC.
- In FY19, the District outperformed Florida on each of the following assessments:
 - Grades 4, 5, 6, 7, 8, 9 and 10 FSA ELA;
 - Grades 3, 4, 5, 6, and 8 FSA Math;
 - Biology, Algebra 1, Geometry, and Civics EOC ;
 - Grade 8 Statewide Science.
- In FY19, when compared with the seven largest districts in Florida², the District had the highest performance or tied with the highest performing districts for the following assessments:
 - Grades 6, and 10 for FSA ELA;
 - Grades 5, 6, and 8 for FSA Math;
 - Algebra 1, and Biology EOC;
 - Grades 8 Statewide Science.

¹ These results are based on all students tested, and not on the group of students used in the calculation of school grades. The FDOE previously released the results for grade 3 FSA ELA, and those results are included in this analysis.

² Largest Florida public school districts with student enrollment exceeding 100,00 students.

In April and May of 2019, the following number of District students took the FSA and EOC tests:

Table 1: FY19 Number of Students Tested in Different Assessments

Assessment	Grade Levels	Number of Students Tested
FSA ELA	3–10	115512
FSA Mathematics	3–8	80260
Statewide Science	5 & 8	28957
FSA Algebra 1 EOC	7–12	14087
FSA Geometry EOC	8–12	12962
Biology EOC	8–12	13477
Civics EOC	6–8	15081
U.S. History EOC	9–12	13885

Tables 2 through 9 report the percentage of students scoring level 3 or higher in FSA ELA, Mathematics, and Statewide Science Assessment, FSA EOC Algebra 1, Geometry, and NGSSS EOC Biology, U.S. History, and Civics for the District, Florida, and the seven largest districts in Florida. Results for individual District are found in Table 8. For prior year results and more, please visit the Department of Research and Evaluation website at: <https://www2.palmbeachschools.org/dre/results/>

Diff. = Difference

*In FY19, District continued to have seventh grade students who enrolled in Advanced Mathematics and who participated in the grade 8 FSA Mathematics, which matched the standards that were instructed. As such the tested population on the grade 7 and 8 FSA Mathematics in Palm Beach differs from other districts.

Schools have received their results and will use this information to meet individual student needs and for school improvement. District and regional staff will use the results to provide direction for improvement in curriculum and instruction. Additional analysis will be completed in the coming days.

If you have questions about the FSA and EOC results, please contact Mark Howard, Chief of Performance Accountability, at 561-434-8851 (PX 48851). If you have questions about instructional programs, please contact Keith Oswald, Deputy Superintendent/Chief of Schools, at 561-649-6805 (PX 46805). If you have questions about individual school efforts and the FSA and EOC tests, please contact the appropriate Regional Superintendent.
