Hello,

I hope this email finds you well. My name is Erik Srnka and I am one of the Admissions Directors for the Residential Program at North Broward Preparatory School. I have received your inquiry and am very interested in learning more about your needs.

Here's some information about the school. North Broward Preparatory School (NBPS) is an independent, coed, non-sectarian, accredited pre-K - 12, college preparatory day/boarding institution. NBPS's strong and traditional college preparatory academic course offerings are complemented by enrichment offerings in Theater Arts, Music, Visual and Graphic Arts, Computer Science, and other subjects. NBPS is located in South Florida and provides a wonderful setting for students from other countries. With our beautiful 80 acre campus and the ocean close by, North Broward offers a large range of sporting and social activities while maintaining a safe place to live and study.

I've attached our school profile and pricing to provide you with some additional details as well as some information about the residential program.

Please let us know if you will be interested in applying, it can be done online at the below address.
