Hey Bossman,

I called Mr. Srnka this morning to put a hold on their boarding school applications until we make a decision.

Unfortunately, We have to make a decision by May 29th or we loose your \$6K deposit and we have to start over from the beginning.

I'm going to have to put my foot down 😤 with this one. They're going... Unless you say otherwise 😕? Should we continue?

Please advise,  
Ann R.

Dear Parents,

Please find attached your monthly billing statement.

**Please note, charges are due per the terms of your contract. If you have past due charges, you may be assessed a late payment fee up to \$75 per month.**

If you have elected autopay, please note that autopay is only valid for ancillary charges. Tuition payments should be made using the methods below.

Our preferred method of payment is through **Peer Transfer** at [meritas.peertransfer.com](http://meritas.peertransfer.com).

The fees charged by using this website will generally be less expensive than an international wire transfer and make it easier to track the status of your payment.

**NEW: PeerTransfer is now offering convenient online payment via Credit Card(VI&MC) for select countries. Please see below for benefits:**

- 1) Cost Transparency which means there are no after-the-fact surprises on your credit card statement
- 2) Discounted foreign exchange rate
- 3) Payment in local currency - no foreign transaction fees

PLEASE NOTE: If you elect to send a payment wire instead of Peer Transfer, our Fifth Third account

information is below.

As a courtesy, in the past, we covered wire fees. **Please note : Effective April 1st, we no longer will be covering fees on wires sent.** Please ensure your payment includes any bank fees you anticipate.

When sending wire payments please include the student ID or name to ensure timely and accurate processing of payments.
